Index

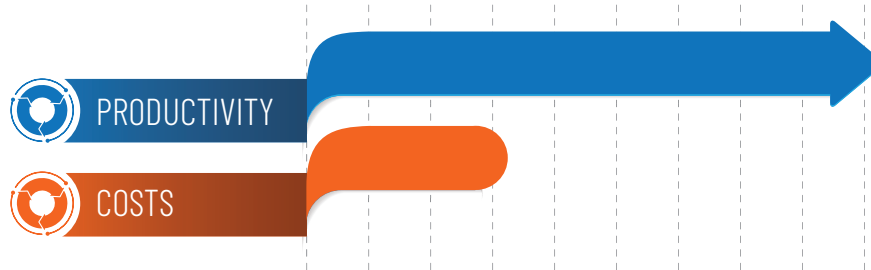

A “Future” overview!

Our reality is born from some CEO's idea.

Deeply experts of the industrial world and its needs.

They understood the Customers desire to have an **integrated service** to enhance their productive and the purchasing power.

Our **mission is to help the Customer creating value** added by increasing his productivity and proposing solutions designed specifically to reduce costs over the time.

We do everything with experience, competence and passion.

Certified Quality

- Every part is inspected to ensure the highest quality.

We are certified
EN 9120:2018, AS9120B
ISO 9001:2015

Our quality system ensures that every part in our warehouse satisfy or exceeds OEM specifications.

Mission

Fields

Aerospace

The aerospace industry is one of the most “demanding”, for this Futuro offers products of the highest quality, conceived and designed to satisfy this sector.

Futuro specializes in the marketing and supply of:

Cutting tools

Rectified tools and abrasives

Electric material and components

Welding tools

Hydraulic, electric and pneumatic tools

DPI accessories

Raw Materials

- ⦿ Aluminum
- ⦿ Titanium
- ⦿ Steel
- ⦿ Special alloys

Chemicals

- ⦿ Coatings
- ⦿ Sealants
- ⦿ Adhesives
- ⦿ Spare parts

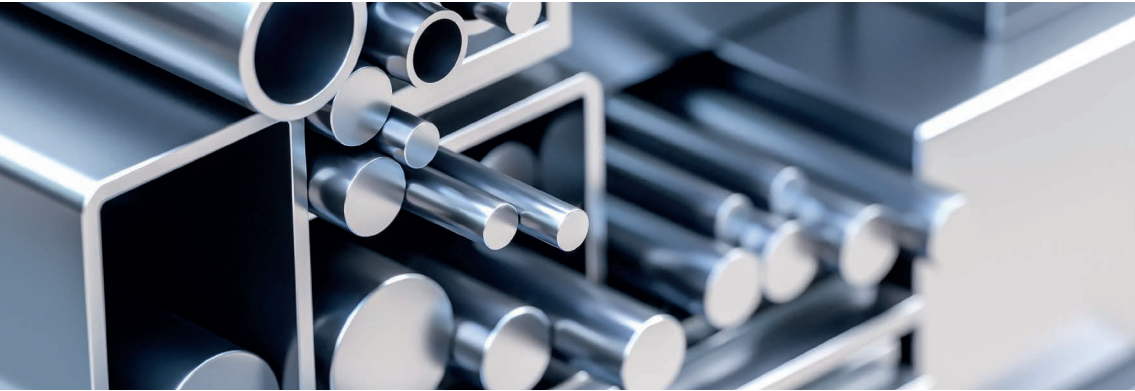

Fasteners

- ⦿ Mechanics
- ⦿ Electrics

Tooling

- ⦿ Cutter tools
- ⦿ Pneumatic equipments
- ⦿ Special equipments

Products

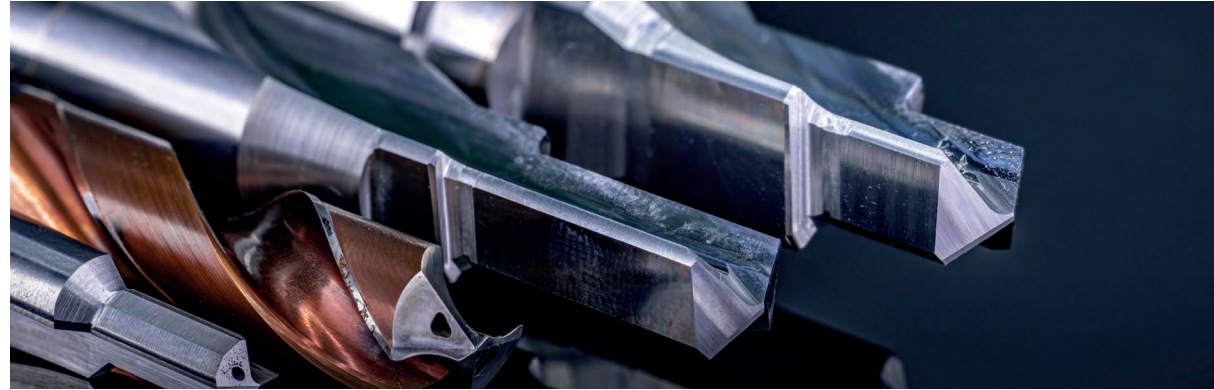

Raw Materials

- 🔩 Aluminum
Series 1000, 2000, 3000, 5000, 6000 & 7000
- 🔩 Steel
Maraging 250/300/350, 4340, 15-4Ph, 15-5Ph, Ph13-8Mo,
Nickel 625, 718, 725, 825, 75, 80A,
Waspaloy A286, 321, 347, 410, 418, 440, 188, L605
- 🔩 Titanium
6Al-4V Grade 5, Grade 4, Grade 2
- 🔩 Special Alloys
We can quote special alloys too

Chemicals

- 🔩 Sealants
- 🔩 Coatings
- 🔩 Primer
- 🔩 Transparents

Products

Fasteners

- 🌀 Blind rivets
- 🌀 Solid rivets
- 🌀 Blind bolts
- 🌀 Temporary fasteners
- 🌀 Installation tools

Tooling

All the tools we distribute have been designed and manufactured according to strict requirements for the use of the highest quality materials. Our wide range of innovative solutions are designed to satisfy all the hard aerospace standard required by technicians.

- 🌀 Gripper operated temporary fasteners
- 🌀 Manual temporary fasteners
- 🌀 Electric screwdrivers
- 🌀 Drill Stop
- 🌀 Hard metal tips
- 🌀 HSS tips
